HPL_q1. PSHE education is a school subject which teaches pupils about a range of life skills, including how to stay safe online, what a healthy relationship is and how to protect themselves from harmful relationships. Lessons are tailored to the age and maturity of pupils, whilst parents are consulted in advance of lessons being taught

To what extent, if at all, do you agree or disagree that PSHE should be taught in all schools?

Base: All GB parents of children aged 18 or under (1,039)
